The Fullest Measure of Value

At this time of the year, when nearly every one is talking higher prices, we are very pleased to be able to offer to the trade the most of our merchandise at the old prices. This is due mostly to the fact that we anticipated ahead and bought much heavier than usual, before the advance came. We have some extra good values in Tailored Suits, that we were able to pick up at less than the regular prices, together with a few odd Suits that we have in stock. These we are putting special prices on for the next few days.

We are also offering a lot of odd Coats in Blues and other colors, at much less than the regular price. These are Coats we bought under the regular price, together with what odd Coats we have in stock. See these values as soon as possible.

Ladies' White and Colored Wash Skirts

We have now our full stock of White and Colored Wash Skirts ready for your inspection and selection. These are Skirt values that we cannot duplicate later at the prices we are now selling them at.

This is a line of Skirts that for fit and style has no rival. In the cheap and medium-priced Skirts we carry the Rutland-made. This is a Skirt that is made from the season's best materials, and the styles and finish are the very best.

In the better grade Skirts, we will give you your choice of the M. & C. or the Wooltex Skirts. These are Skirts that are made by people who make our best Wool Skirts. Every yard of material is shrunk, and the hands are shrunk, before the Skirt is put together. This relieves you of all the worry of the laundry shrinking or getting the garment out of shape.

At \$1.25 we will give you a very good Skirt that is made from a medium-weight drill. It is in the best colors, in Blue with White Polka Dots.

In the White Skirts, we start them at \$1.25 in the Repps and Piques, and will give you just as good a skirt at the price as we were ever able to show.

We will give you the best value in a Cotton Serge we ever put out. This is a cloth that launders and looks as nice as an all wool cloth.

See our special values in Fancy Checks and Stripes, in cloths that are new and of the season's best values.

See this line of Skirts and you will surely get interested.
